Elephant Talk, King Crimson

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

This is a puppet of the nation, Alevuss. I have the same political stance on everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevian constitution since 1999. Also, the colony is called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.

I was of the same opinion when I was younger - then I started browsing the internet and realised how *angry* people who knew more about music could be and that scared me into silence. Now I've just accepted i'm a dadrock and it's just my taste.
