Talk about being extra ambient....I prefer their less ambient stuff. It is still ambient but it seems more interesting. This isn't bad, though.

Hammock-Black Metallic (Catherine Wheel Cover)

Done with this band. Ending it on a rather good cover of a song I don't even know the original of.

This is probably the most upbeat song of theirs.

72 songs by Hammock this week (Or more like the last 2 days)

Now I feel lazy right now.

Russian Circles-309

So listening to this band will have to do.
