Now it's time to throw every possible problem in New Afrika's direction
"Free the Land! Yes, that is literally all we can come up with as a motto."

A Black-only state where African Americans, now called New Afrikans, can be just as racist to non-Black people as White Americans were to them.

I had somewhere close to 20 in my foe list at one point, but most of them I have removed by now, as a lot of these were either CTed or I had forgot that they existed.
