My guess would be Copenhagen, or somewhere else in Denmark

Not American, I think, knows some Spanish from exposure, has done a great deal of research on Mesoamerican cultures but iirc hasn't had much in the way of hands-on experience- perhaps western Europe? Not sure.

Mexico was my first guess for some reason, but I'm not so sure anymore.

United States, quite obviously. As for specific region, my guess is a middle-class suburb near a former industrial city.
