Billy Joel - Movin' Out (Anthony's Song)  
From *The Stranger* (1977)

*Anthony works in the grocery store  
Savin' his pennies for some day  
Mama Leone left a note on the door  
She said, "Sonny, move out to the country."*

Kots - *Fractured Torso*

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

The Police - Every Breath You Take  
From *Synchronicity* (1983)

*Every breath you take and every move you make  
Every bond you break, every step you take, I'll be watching you  
Every single day and every word you say  
Every game you play, every night you stay, I'll be watching you*

I'm gonna be there one day when you fall

Sting - The Last Ship  
From *The Last Ship* (2013)

*"Tell me where are ye going Lord, and why in such haste?"  
"Now don't hinder me woman, I've no time to waste  
For they're launching a boat on the morrow at noon  
And I have to be there before daybreak  
Oh I canna be missing, the lads'll expect me  
Why else would the good Lord himself resurrect me?  
For nothing will stop me, I have to prevail  
Through the teeth of this tempest, in the mouth of a gale  
May the angels protect me if all else should fail  
When the last ship sails."*

Bee Gees - Nights on Broadway  
From *Main Course* (1975)

*Here we are  
In a room full of strangers  
Standing in the dark  
Where your eyes couldn't see me*

*Well, I had to follow you  
Though you did not want me to  
But that won't stop my lovin' you*

Singin' them "straight to the heart" songs

*May sweet memories of friends from the past  
Always come to you, when you look for them  
And your inspiration, long may it last  
May it come to you, time and time again*

*Now everybody seems to have their own opinion  
Who did this and who did that  
But as for me I don't see how they can remember  
When they weren't where it was at*

*And they can't take it from me if they try  
I lived through those early days  
So many times I had to change the pain to laughter  
Just to keep from getting crazed*

Duran Duran - Ordinary World

From *Duran Duran (The Wedding Album)* (1993)

*Came in from a rainy Thursday on the avenue  
Thought I heard you talking softly  
I turned on the lights, the TV, and the radio  
Still I can't escape the ghost of you*

*What has happened to it all?  
Crazy someone say  
Where is the life that I recognize?  
Gone away*

*But I won't cry for yesterday  
There's an ordinary world  
Somehow I have to find  
And as I try to make my way  
To the ordinary world  
I will learn to survive*
