New York State Parliament passes motion to outlaw open carry of all firearms but sidearms in public places.

What is this, *Liberty City*? Next thing you know, you'll have to go to a shady basement somewhere in Chinatown and buy your RPG rounds and military-grade LMGs from some shady Chinese dude before you shoot him dead at the door as you're leaving. Man, the Free States are going to hell in a hand-basket if you can't shoot gun vendors Terminator-style.

*Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join **Calexico and Mexicali** then, moron.*
