Wilhelm's War was a civil war in Friesland in the late 1020s between supporters of the Hollander Duke Wilhelm, and the Frisian Alfbadian royal dynasty. It ended in victory for the Alfbadian dynasty, and was important in weakening feudalism in Frisia.

WUR co.'s "Big Bear" class destroyer is a very well-rounded warship. It is equipped with the standard VLS and CIWS configuration though, strangely it opts to carry three naval guns. It is also capable of electronic warfare operations and hosts anti-submarine weaponry.

THE CORPORATE REPUBLIC OF SYNNE INDUSTRIES

Contrary to popular belief it is neither corporate, nor a republic

But rather an autocratic hyperlibertarian archipelago of raving immortals amidst a shattered Earth where one in three nations could be considered a naval superpower.

Curiously enough, while Ritavia is a feudal realm, its constituent principalities are ruled by sovereign princes *and* a governor -presumably- appointed from the capital.

Adelbrand has probably slept with everyone's mom, including his own

Despite the fact that the Imperial Solarian Church is the sole pseudo-catholic church of the world, both Jews and Old Christians still exist. The latter, I presume, under the name 'the way'. This either implies they are the Nestorians of the world, the Coptics, or God Forbid the Eastern Orthodox.

Also, apparently Minerva was a trap as 'Sol Sapiens' is considered to be male

Topoliani: A Post-Apoc Medieval Nation in the Levant

We don't use NSstats, nor is this nation a representation of my views.
