This nation is madlad enough to have made their flag in ms paint. Definitely 10/10

The Commonwealth of Centauria

The only major interstellar state in a pocket universe 200,000 lightyears across. Cyberpunk aesthetics and ridiculously fast space travel, but a dysfunctional gouvernement and economic recession.

Comrades, your city is for the present occupied by the Revolutionary Black Army. This army does not serve any political party, any power, any dictatorship. On the contrary, it seeks to free the region of all political power. The Revolutionary Army does not therefore represent any authority. The freedom of the peasants and the workers belongs to themselves, and should not suffer any restriction.

Rapture City

- In the underwater city, two roles have emerged from the City's ongoing civil war: the **City Monitors** who defend the peace and the **Red Caps** who fight against unjust systems. The city's infrastructure is crumbling under its own weight and kinship is snuffed by the paranoia of totalitarianism. Yet the people would be in for a surprise as their virtual overlord have died many years ago as the oppression continues under his name...
- Not an 1-1 exact replica of **Bioshock** lore and **Rapture City**. Only the city's atmosphere and setting is maintained.

The Arihveran Socialist State

TL;DR: Technology and equality focused militant ~~democratic~~ socialist

Leader: General-President Destarsee Kerova

Arihveran State News: *Referendum on the re-establishment of democracy is soon to be held. The "permanent leader, voted representatives" option is popular in polls following the corruption scandal and attempted coup by representatives*

5/10 (While communist given the red and gold on the flag, you got to admit that the picture of a gas giant is pretty cool and offsets some of the evil)

If you were expecting a more off-the-walls, horrifically brutal travesty of a country, consider a visit to our colonies. ~~They deal with all the nasties, so we don't have to.~~

The personality and eye color of whatever boring ambassador I send to a gathering is none of your damn business.
