Kergstan's flag makes me think a little of a dictatorship, but the palm tree in the middle of the star seems to represent peace or good intentions at the heart of it. The green yellow blue color pallet is not overly aggressive. The red element implies revolutionary or military tendencies. 4/10 evil based on flag, but probably only 3/10 evil in reality

The Tilminese Federation is a totalitarian fascist theocracy ruled with an iron fist by [The Overseers](#), a fanatical organization of theocratic fundamentalists seeking to eradicate 'modern degeneracy'. Has scenic architecture, no light pollution, quiet streets and public executions for the smallest crimes. Oh and one in every four Tilminese has died from starvation, disease, execution, forced labor, and genocide ever since the Overseers have taken power but that's not too important.
