Monkey 4613 was vicious and a killer though a youth of twenty-four
And the notches on his pistol numbered one an nineteen more.

[He] had not cleared leather when a bullet fairly ripped
And the rangers aim was deadly with the big iron on his hip.

Listen yall. I'm only gonna say it once but I want you to remember it. This ain't a world fit for good men. It seems like you gotta be monstrous just to make it. And then one day you look in the mirror and you realize that you ain't you anymore. You're just another monster, and thanks to your actions, someone else will eventually become as warped and twisted as you. Never forget that the best of us are just the best of a bad lot. Being at the top of a pile of feces doesn't make you anything but shit like the rest. Never forget that.
