I've never seen them but I'd imagine they're at least...somewhat known because they've been here for nearly 2 years and have almost 1000 posts.

Only seen a few times, but they are quite old so I'd say they are moderately well known.

I've seen them quite a bit on F7, and they certainly have many F7 posts, so I'd say they are very well known on F7. Moderately known elsewhere, and have a good reputation in my eyes. ☐

Known a small to medium amount. I mean, I know them more on an individual level but that doesn't count.
