Firstly: Israel started the war in 1948, during the Nakba when Palestinian society was utterly massacred by Zionist colonials, who claimed Godly mandate to commit genocide. All the solutions to the conflict are very complicated, but morally it is very simple: millions of people are in the crosshairs of the mass slaughter that's about to ensue, and these people must be supported. I can't do much, and that is agonising, but I don't want to be silent.

Anyway, regardless, ah yes-- signatures.
