## **WHAT ARE YOU LISTENING TO, NS?**

Wat is dit? I might have the chance to create this thread? Ahh, okay, here I go...

With the previous iteration coming close to 501 pages (as of now), after a good 1 year, 3 months, 3 weeks, and 5 days (483 days) run by **Cosumar**, I decided to take the liberty of opening up the new Music thread.

I will probably set a goal of 1 year this time as well! A good year to fill up this thread.

Taken from the previous iteration (**Cosumar**'s OP):

Anyways, this is a hangout thread where we post and discuss whatever song/band/album you're currently listening to. It's always cool to sample what fellow NSers are listening to and it's a great way to maybe meet a few who have similar tastes.

Commentary and details about the song you are listening to are encouraged. Please refrain from posting several times in a row if no one else is posting in between. That is considered spam. You can always edit your latest post to add a new song.

Example:

I'm listening to Avantasia's "Mystery of a Blood Red Rose" from *Ghostlights* (2016). Solid rock opera track.

More rules of this thread:

- 1) Enjoy the music!
- 2) Follow Rule Number 1.

**Previously in *What Music Are You Listening To?***

No specific albums, but a lot of grunge, alt-rock, basically lots of 90s rock + other stuff.
