Okay, so you guys are new, right (as far as I'm aware)? So, the group of nations I was founded around are mostly gone now, and it's now your guys' turn to do NS stuff, while the previous group is dying off.

You also seem very cynical, and probably a bit sarcastic.

When is this set? Probably not the modern day, I would love to see what a modern-day democratic Iran/Persia would like.
