One of the greatest bands of all time.

I bought my Grandpa that album. Seemed right up his alley. I showed him a couple songs by them before hand, too. He loved it. Think I need to buy him the rest of their stuff, too.

I like the band but they're far from a favorite of mine.

Their music is stylized around 60's and 70's rock, he's definitely going to enjoy them ☐ Especially since they play like every type of 60's and 70's rock imaginable.
