Bastion Soundtrack - Build That Wall (Zia's Theme)/Mother, I'm Here (Zulf's Theme)/Setting Sail, Coming Home

I haven't played through the game, but those songs are just plain amazing on their own.

This is why I love Youtube. Randomly stumbled upon this guy because one of the channels I'm subscribed to liked this video, and now I've found a lesser known artist who's awesome.

Metallica - Turn the Page

This is one of the few cases where cover is better than the original. Usually cover is worse or equal.
