Oh, sorry. I should have added a note about them since there isn't a dispatch for it.

Personally, the United Democratic Party.

But since the new government is watching our every move we do, I'm going to say the Anglicoran Socialist Party. "Glory to the Great Leader!"

AN: Dusens Party.

BN: If you choose a party with factions (i.e. Liberal, SDP, or National), perhaps also say what faction you would most align with/vote for.

Constitution of Wizlandia Wizlandia Political Parties 

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.

The Nationals. Would happily vote for any of them except the Paleoconservatives, not sure on your electoral system but it was FPTP and the choice was a Paleocon I'd probably vote Christian Social Union or a Liberal Democrat (from the Liberal Party).

There is very little information on any of the parties so I wouldn't vote for any one of them (you shouldn't vote for something you know nothing about) and based of of the names none of them seem very appealing to me (firstly I'm not Afrikaner nor do I support Socialistic policies). But if you were to hold a gun to my head and force me to vote I'd go off of the names I'd choose either the New Patriotic Party or maybe even the Labour Party as they seem the *least* likely to fuck me over.

BN: Gallifreyans do do not have traditional "political parties". Instead they have six politico-economic factions known as "Chapterhouses".
