RIP Dimebag; August 20, 1966 - December 8, 2004. Get past the Cemetery gates bro.

Make love, not war that way when those damned Bigtopians actually grow a pair and decide to attack, we'll have a massive army waiting for them.

Half-Truism, The Offspring.

When the fuck did they get so poppy, srsly.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression

will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
