The intent is to provide players with a sense of pride and accomplishment for unlocking different heroes.

As for cost, we selected initial values based upon data from the Open Beta and other adjustments made to milestone rewards before launch. Among other things, we're looking at average per-player credit earn rates on a daily basis, and we'll be making constant adjustments to ensure that players have challenges that are compelling, rewarding, and of course attainable via gameplay.

We appreciate the candid feedback, and the passion the community has put forth around the current topics here on Reddit, our forums and across numerous social media outlets.

Our team will continue to make changes and monitor community feedback and update everyone as soon and as often as we can.

Don't break the chain

you say the same thing that AN says. If you say a different thing than AN you start a new chain.

For example:

Nation 1: Hello uwu Nation 2: Hello uwu Nation 3: Hello uwu

when someone says a different thing than the chain:

Nation 68: Hello uwu Nation 69: No furry Nation 70: No furry Nation 71: No furry

Let's see how far we can stretch the chain
