Our new man is perpetually in his dream state. In other words, in the real world, he is asleep for an indefinite amount of time, while he traverses the dream state in his sleep, so strong is his connection to it, that objects appearing in it would manifest around him at random intervals whenever he interacts with it.

Man #00101 finds an elevator and presumably enters Level 1 of the backrooms. It was at this point that #00101's ultimate fate fades into the realm of speculation, as there were no mentions of him later on in the thread.

Our new man is perpetually in his dream state. In other words, in the real world, he is asleep for an indefinite amount of time, while he traverses the dream state in his sleep, so strong is his connection to it, that objects appearing in it would manifest around him at random intervals whenever he interacts with it.

New man is a guy named Ben who really has a liking towards the Cincinnati Reds, he works at a rundown Las Vegas style restaurant in Bowling Green, Kentucky.

Ben(jamin) at one time, tried skipping town to go see a match with the Cincinnati Reds, even after getting in trouble with a customer, and a reprimand from his manager, he persevered in attempting to bring his plans into fruition.

Ben goes to the stadium and sees that the Reds seem to be playing against the Pittsburgh Pirates. He then suddenly falls down his seat and catches the baseball by accident.
