No, looks anarchist.

BN: Right now we are Heaven as described in the Bible, don't use NS stats.

Main nation is The Allied Tribe.

IC Name is Heaven, because, well, we are Heaven.

Ok that's literal godmodding, BN should use NSstas, besides, everyone has a different idea of heaven so why would anyone use that?

Heaven as described in the Bible does not mean whatever you think of Heaven. Most nations don't use NS stats because they aren't realistic especially with the population mainly being used for the age of the nation even though some nations gain more population than others.

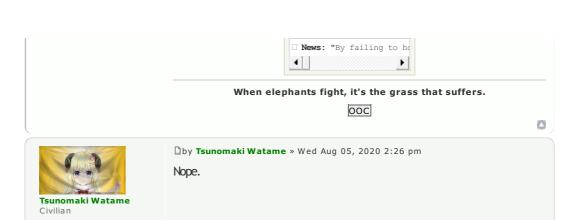

Also, do you know what "godmodding" means?

Watame did nothing wrong, right?

Unsure, there's basically no information about them. They have legal weed, though, so until I know more, I'm leaning towards yes.
