"Monkey 674" died to the actual monkey 674, it turns out monkey 674 survived due to his status as a GMM(Genetically Modified Monkey), giving him incredible endurance and the one-time ability to live after dying.

Monkey 666, being a demon summoned by Monkey 667 joined the Satanist
Church and lived forever through unholy means. At least until the rapture came
and his shriveled soul was torn from his body.
