That's a cool idea... I may end up doing that with one of my favorite artists.

Reverend Bizarre - Anywhere Out of This World

Deep in the woods stands an abandoned house
Its windows face the night
Behind the green door, we have the suicide shrine
The flowers of Orient cover the bed

To be anywhere out of this world, in peace
To leave these cruel woods behind. Release!

When I open my eyes, clouds are dancing in the sky
High in the air, strange birds fly
Warm wind brings luxurious scent of unknown flowers

Cruciamentum - *"Unsanctified Temples"*

Now this was a pretty badass EP! I might have to check out their album from this year later.

NS stats used for civil rights, economy, political freedom. Other NS stats not used. Nation does not reflect views. Anything I said on forums before 2018 is most likely outdated and inaccurate.

Pro: Authoritarianism - Classical (i.e. actual) Corporatism - Christianity - Nationalism - Third Position - Traditionalism
Anti: Anarchism - Communism - Free Market Capitalism - Internationalism - Irreligion - Liberalism - Modern Conservatism - Modern (i.e. liberal crony capitalist) Corporatism - Progressivism
