"Why is self-control, autonomy, such a threat to authority? Because the person who controls himself, who is his own master, has no need for an authority to be his master. This, then, renders authority unemployed. What is he to do if he cannot control others? To be sure, he could mind his own business. But that is a fatuous answer, for those who are satisfied to mind their own business do not aspire to become authorities." ~ Thomas Szasz

For: Islam, Quasi Capitalism/Socialism, fair job allocations, moral modesty, Palestine, sensible patriarchy
Against: Pointless reveling, mass drinking of alcohol, United States led invasions, Iraq war, excessive pride, excessive SME business rates, postcode neglect, busy lifestyles
