Your nation is like a son. What it does right is your merit, as well as what it does wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.

I like U2, though I'm still new to them. Which is why I haven't heard that song.

One of their bigger hits. From back when they were more rock and less pop and more political than emotional. Off of a great album too, IMO, *War*.
