Think I'm going to continue re-listening to albums for a while to redefine my opinions on them. I've listened to too many albums where I listened to them but never truly got my final opinion on said albums.

Once I work that out, I should have better lists of "Best of the Year" and "All time" ratings.

Stolen Babies-Never Come Back

This band grew on me quite a bit after listening to them more thoroughly. They always intrigued me. They're very...unique.
