  Red Lake does not necssarily represent my personal views. I promise I'll make a tech factbook eventually. NS stats didn't respect the wildlife and got mauled. Language is Gothic.

> Florida is invincible from any water flood

That's totally true

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)
