Motörhead - Dancing On Your Grave

All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Random RMFon radio stations, currently Rmf fm, playing 'empire state of mind'. They seem to be having technical issues. Might change to another station.
