Cool, glad I'm not the only one on here who appreciates them. Never heard of Death Grips before... something I should check out?

Goldfrapp - Strict Machine

The Pentagram Bloc
Zuni is FT, but will recognize FanT and Pony nations. I am also capable of playing in MT or late-PT threads if needed, by switching blasters for revolvers and speeders for horses.

Death Grips are, like, a mixture of rap and punk, so I'm not sure if you'd like them. If you do like Goldfrapp though, definitely check out iamamiwhoami, Gang Gang Dance and The Juan Maclean. And you probably know Robyn, but check her out too.

Rap makes them sound not very promising... never been a huge fan of that genre.

I do indeed already know of Robyn. She's pretty awesome. I added those other three to a feeder station on Pandora where I use artists who are recommended to me as seeds so I can get a sampling of not only their music but also related artists'... they're coming up faster than expected.

iamamiwhoami - Play

Pretty good song.
