The year's at the spring,
And day's at the morn;
Morning's at seven;
The hill-side's dew-pearled;
The lark's on the wing;
The snail's on the thorn;
God's in His heaven—
All's right with the world!

God is an Astronaut-Fragile.

Just grabbing stuff at random....I apparently have too much music now that I don't know what I want to listen to. I keep doing this recently. Especially when I don't want to listen to stuff I haven't heard before right now.

In other words — and this is the rock solid principle on which the whole of the Corporation's Galaxy-wide success is founded — their fundamental design flaws are completely hidden by their superficial design flaws.
