My IC Character likes to collect titles, especially from foreign nations, if you would like to grant me one, you may do so here: viewtopic.php?f=4&t=482842&Start=1
Titles will be granted in return and your involvement is greatly appreciated, Thanks and may God bless you!

Only some NS Stats are canon for my nation, so better to assume they aren't rather than they are, thanks! :)

VlaRiSsiA is a schizo totalitarian shrekist regime created after the Great Ogrethrow in 2094. Has a massive WIP multi-nation lore. We don't use most stats(our personal and political freedoms are negative 100 in canon)
