Speaking of beastly pictures you wish you could steal, here. Also, this song is a bad ass dark song.

Hell yeah, man.

Listening to that.

I find the picture used very fitting for the song, which seems kinda rare on these videos (You know, usually the stereotypical sunset picture for Post-Rock)

Sadly, I didn't really find the rest of the album as epic as that song, but it was still good.

Of Monsters and Men-Dirty Paws.

The forest that once was green, was colored black by those killing machines~
