Sometimes people use stuff like that as weird references to something else in the song, but I wouldn't be surprised. People sing about everything. Which I think is perfectly fine.

Well said. Just to be cautious, I should clarify that I was just surprised about their rather unusual choice of title (from my perspective), not offended. More like a "I haven't seen something like this yet" surprise.

God that was bad.

Well...at least they're *consistently* generic garbage. □

It's a shame too, because the song seems to have a serious meaning in it. Too bad the sound is so generic.
