Foster The People - *Call It What You Want*

sighs sell-outs

Your nation is like a son. What it does right is your merit, as well as what it does wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.

And back to Isis. I still don't understand why so many people hated

Breakcore with classical mixed into it. Looking forward to this one, because I think this may be the one my dad showed me some of that I noticed had a cool mix.
