A song called "In McDonalds" that is like sad ambient music. For some reason that seems appropriate when you think about their practices beyond the restaurants themselves.

Eminem - "Berserk"

I know it's a popular song right now, but the reason I like it is just because of the sheer aggressiveness that makes me want to punch something. It's a good thing.

'Try Death Grips ☐'

Death Grips is nothing like Bezerk.

Tortoise - DJed

They liked it because it was aggressive so I was suggesting other
aggressive hip-hop.
