So...turns out I wasn't up for nearly 24 hours. My mother reminded
me that I got 5 hours of sleep yesterday afternoon...so it was more
like 12 hours.

Matisyahu - Surrender

Looks like his new album was released. Listening to a few of the songs, I don't think I'll give the whole thing a listen. A lot of people are saying that he didn't put his soul in this album, and I have to agree; he sounds like he's just doing this music, just because.
