Love that song. Keep thinking about giving that album another try, since I found myself not liking it all that much as a whole. I think I'd like it more now.

The band has better songs in my opinion, but it's still a great one.

Kelly Bailey-Song 19 (Half-Life 2 Soundtrack)

This soundtrack, and the episodes for said game are some of my favorite soundtracks

Hell, so is Portal 2. Valve does good with soundtracks.

Working on compiling my list of favorite soundtracks, and soundtrack songs.
