Ajatarra-Madot

Haven't skipped a song from this album yet. Usually a good sign when I'm going through things to rate them.

Mastodon-High Road

Naming your song "High Road" is usually a good sign of your quality degrading.

And the song fits that category quite well.

The chorus is about as generic as you can get. It sounds like some bad radio song chorus.

Think I'll be passing on the new Mastodon album...
