Jebslund is a nation of kerbals ruled by Emperor Jebediah Kerman. We reject tyranny, believing that rights should be protected, though we also believe said rights end where the rights of others begin.
Shockingly, we *do* use NS stats, with the exception of lifespan.

Monkey 1470 forced to listen to Rick Astley "Never gonna give you up" for 24/7, members of the facility can't take it listening to the echoes of the song coming from its isolation chamber and requested the monkey to be put down so that the song will stop playing.
