Someone's idea of the 60 greatest dance tracks of the last 23 years. Quite a few didn't seem that danceable to me. The ones that were most intriguing musically to my ear, were the Daft Punk and Deadmau5 tracks.

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

The dead swans lay in the stagnant pool.
They lay. They rotted. They turned
Around occasionally.
Bits of flesh dropped off them from
Time to time.
And sank into the pool's mire.
They also smelt a great deal.
